

## LEDBLRD-XXAC-NW • LEDBLOV-XXAC-NW

### LED COMMERCIAL CEILING LIGHT

This range of wall and ceiling lights offers an attractive and cost effective source of light that is designed to be flush mounted to both walls and ceilings.

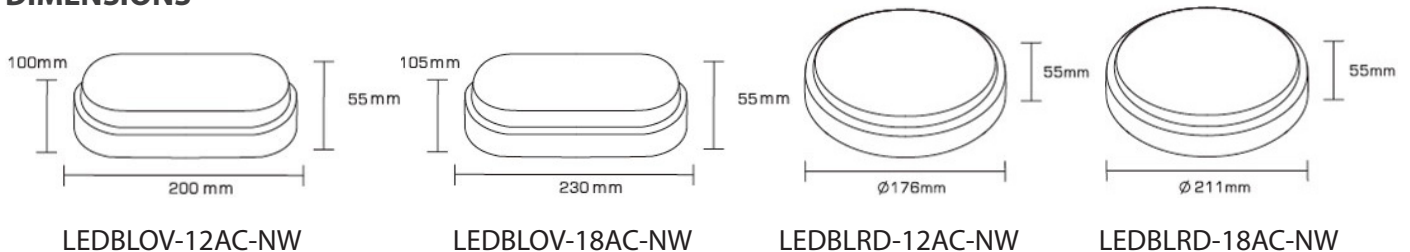

With these we can offer options on oval or round design, size, lumen output and with or without onboard light and motion sensor.

With a IP54 rating it is ideal for most areas including stairwells, corridors, bathrooms and under verandah areas.

The standard base colour is white, with a black option also available on special request.
