

LED INDUSTRIAL RECESSED CANOPY LIGHTS 140W & 200W

The LEDCL14 series delivers high lumens and is great value for lumens per watt. These LED canopy lights are IP65 rated, and the range includes 140 and 200W models.

FEATURES

- High Luminous Efficiency: up to 110lm/w
- External power supply (IP67), dimming function and light control system can be added
- Low weight for easy mounting and maintenance

APPLICATIONS

- Petrol stations
- Car washes
- Food production areas
- Under canopy areas

TECHNICAL SPECIFICATIONS

Fixture/Part No.	LEDCL14-140AC	LEDCL14-200AC
Power (W)	140	200
Lumens	15,400lm	22,000lm
Luminous Efficiency	110lm/w	
Colour Temperature	5000K	
Colour Rendering (Ra)	70	
IP Rating	IP65	
Power Factor	>0.95	
Output Voltage	100~240V AC	
Operating Temperature	-40°C ~ +40°C	
Dimensions*	380x380x261mm	
Beam Angle	110°	
Weight (kg)	7.5	

*Excluding adaptor plate

⁽¹⁾All common adaptor plate sizes available. Custom sizes available on request.
