

LEDBKHD-14AC • LEDBKHD-15SEN • LEDBKHD-23SEN

LED COMMERCIAL CEILING LAMP

With a neat and stylish design this LED bulkhead lamp range looks great in any location. Its LED light source provides excellent levels of brightness at a lower cost than traditional bulkhead lamps, and the robust and rugged plastic housing makes it the perfect light for busy public spaces such as passageways, bathrooms and stairwells.

Our range offers lower wattage options for areas like bathrooms and locker rooms, higher wattage options for large areas requiring more light, and onboard sensor options.

FEATURES

- Surface mounting (on special request)
- IP65 rating
- Motion sensor
- Plastic cover ring available (metal on special request)
- High/low options available
- Master/slave function
- 50,000 hour lifespan
