DESIGNED AND MADE IN AUSTRALIA

# 360° PORTABLE AREA LIGHT

The **BILLY LIGHT 8000** and **16000** are high lumen area tripod lights. They produce 8000 lumens and 16000 lumens respectively around the tube of the light.

With an IP65 rating, it allows the inlet and the outlet of the BILLY LIGHT to be powered up in external areas. You can link 5 units which will be up to 20 metres apart giving you 100 metres of continuous light. Alternately, you can use a single BILLY LIGHT to also provide power to your electrical tools. It also boasts a high and low setting.

## 2 MODELS

BILLY 8000

BILLY 16000

Tripod and wheel attachments can be purchased separately.
